Dear Friends:

Please accept a most sincere thank you for your very generous \$6,000.00 donation. This gift will help us immeasurably as we strive to find a cure for pancreatic cancer.

The Lustgarten Foundation for Pancreatic Cancer Research is committed to bringing this long-ignored disease to the forefront of cancer research. Since its inception, The Lustgarten Foundation has provided more than \$90 million for promising research into early detection and treatment. Today, we are the largest private supporter of pancreatic cancer research.

On behalf of The Lustgarten Foundation community, we thank you again for your kindness.

Cordially,

Kerri Kaplan
Executive Director & Chief Operating Officer

Kindly consider including The Lustgarten Foundation in your estate plans.
